Level ONE

Learn the basic concepts of floral design and gain the necessary skills to begin work in the floral industry. Each class you will design a floral piece to take home. Please bring a sharp knife and secateurs.

Level TWO

Advance your skills with exciting new ideas in design. Practice these skills each class and take home your finished design.

Level THREE

Take your design skills one level up and design pieces that are more complex. Learn how to use unique flowers that will make your designs spectacular.

~ All classes will run 7 pm to 9 pm ~
